PROFESSIONAL EXPERIENCE

- | | |
|---------------------|---|
| Sep 2024 - present | Community Manager BARBER MEDIA & CANADA'S BEST APPS, Whistler <ul style="list-style-type: none">➤ Software management of Connect365 to send scheduled messages about products and services to customers. Focus on sales and prospects. Part time. |
| Sep 2023 - Aug 2024 | Cook EARL'S RESTAURANT, Whistler <ul style="list-style-type: none">➤ Creating culinary experiences in collaboration with other colleagues. A stressful job with focus on kitchen standards and guest experience where it is important to work efficient. |
| Nov 2022 - Sep 2023 | Lift operator, lead hand VAIL, Whistler <ul style="list-style-type: none">➤ Operating a lift while providing instructions and customer service for safe loading of ski lifts. I was responsible for daily scheduling of procedures and staff. It required attentiveness and good communication. |
| Jun 2021 - Oct 2022 | IT consultant KNOWIT EXPERIENCE, Linköping <ul style="list-style-type: none">➤ Web development in teams to deliver strong customer experiences to multiple clients. I am a Full-stack developer with mainly focus on Front-end and user experience. The delivery includes pre studies, development, testing and deployment. An agile work that requires good cooperation and contact with colleagues and clients. Worked periodically remote due to Covid.➤ Participated in the leadership program GROW, where I learned about leadership, personal branding, presentation techniques, communication, feedback, equality and much more. |
| Jan 2021 - Jun 2021 | Master Thesis CAMBIO HEALTHCARE SYSTEMS, Linköping <ul style="list-style-type: none">➤ Title : <i>Usability of integrating patient-generated health data with the corresponding data from the electronic health record.</i>➤ Added a user interface in the mobile application "My Health" for collection of patient generated health data. The data was integrated with data from the electronic health record and presented in the app. Prototypes were created in Figma and coding in Flutter and Dart was applied. |

NON PROFIT EXPERIENCE AT LINKÖPING UNIVERSITY

- Jun 2019 - Aug 2020 | **Treasurer | 720, SKI ASSOCIATION, Linköping**
› 720 organizes alpine trips and other ski-related events. I was responsible for the finances and accounting, which required structure and discipline and responsibility for decision making and budget planning.
- Aug 2016 - Jun 2017 | **Course evaluator | LINKÖPING UNIVERSITY, Linköping**
› I was responsible for collecting the students' opinions about courses and then presenting constructive criticism to the examiner via a dialogue.
- May 2016 - Jun 2017 | **Public Relations | LINK, Linköping**
› LINK offers corporate events and a career fair within data and IT. My responsibility was the external information. The work required a lot of communication and creativity
- Jun 2015 - Jun 2016 | **Logistics & Public Relations | YVETTE - WOMEN'S ASSOCIATION FOR APPLIED PHYSICS, Linköping**
› Yvette creates events, such as sessions and corporate events, to promote contact between the female students and companies. I was responsible for the public relations and the logistics for the events.
