PROFESSIONAL EXPERIENCE

- | | |
|--------------------------|---|
| Sep 2023-present | Cook EARL'S RESTAURANT, Whistler
➤ Creating culinary experiences in collaboration with other colleagues. A stressful job with focus on kitchen standards and guest experience.
<div>Stress tolerance Efficient Collaboration</div> |
| Nov 2022-Sep 2023 | Lift operator, lead hand VAIL, Whistler
➤ Operating a lift while providing instructions and customer service in the safe loading and unloading of ski lifts. As a lead hand I have the responsibility to make sure everyone get their breaks and rotations correctly and I hold the communication between the other lift operators and supervisors.
<div>Leadership Responsibility Knowledge</div> |
| June 2021-Oct 2022 | IT consultant KNOWIT EXPERIENCE, Linköping
➤ Webdeveloping in teams to deliver strong customer experiences to different clients. I am a full stack developer with mainly focus on front end where I work with HTML, CSS, JavaScript, Vue.js, the CMS system Episerver and C# .NET. The delivery includes pre studies, development, testing and deployment. An agile work that requires good cooperation and contact with colleagues and clients were JIRA and GitHub were used. Worked periodically remote due to Covid.
<div>Responsibility Outgoing Driven</div> |
| June 2020-August 2020 | Night host HOTELL FJÄLLGÅRDEN, Åre
➤ The work included work in the front desk and cleaning of the hotel's common areas. I was the person responsible for the hotel at night, which required that I was independent, responsible and had civil courage.
<div>Independent Responsibility Positive</div> |
| June 2014-August 2019 | Machine operator STORA ENSO FORS AB, Avesta
➤ Six years of summer work in the post-processing of cardboard production. Machines were operated, the finished product was quality assured and forklift driving occurred. Work in 5 shifts.
<div>Accuracy Efficient Technical experience</div> |
| December 2020-April 2019 | Ski rental associate SKISTAR, Åre
➤ I provided guests with suitable ski equipment and sold products in the store. It was important to be well-educated and to work efficiently.
<div>Efficient Cooperation Flexible</div> |
| December 2017-April 2018 | Front desk clerk SKISTAR, Åre
➤ I informed and helped guests with accommodation, ski passes and other questions. A problem-solving work that required structure, stress tolerance and good communication with guests and colleagues in other departments.
<div>Communication Structured Service minded</div> |
| May 2013-Aug 2014 | Grocery clerk TEMPO SKOGSBO, Avesta
➤ Hourly employment in a grocery store with varying tasks such as cashier, preparing cakes, ordering, baking bread and closing the store. I really appreciated the customer contact and the variety of tasks.
<div>Flexible Reliable Service minded</div> |
